

# EDIBLE CAR CONTEST 2020

As the kick-off to Science Fair Week, the Edible Car Race will be held during All-School Chapel at 8:05 a.m. on **Monday, February 3**. All entries must be available for processing that morning by 7:45 a.m. along with the Information Sheet displayed with the car.

Mandatory pre-registration will close this Friday, January 31, at 4:00 p.m.

## The Rules

- o Each team can enter only one car, and a student can be part of only one team.
- o The cars must be built ENTIRELY from food items commonly and safely edible by humans.
- o Entries must have at least two functioning axles and at least three functioning wheels.
- o To be eligible for a prize, the car must roll down the three-foot ramp without a push.
- o Cars must meet the following dimensions:
  - less than 4 inches wide (including wheels and hubcaps)
  - less than 4 inches tall (including windshield, roof, "passengers," etc.)
  - no less than 2 and no more than 10 inches long (including bumpers or any extensions)

## The Judging

Creativity of design is certainly encouraged but not specifically assessed. There are two categories that entries will be judged on:

Speed – the fastest car down the ramp

Distance – the car that travels the farthest, relatively intact, after rolling down the ramp

## To Enter

o Complete the Entry Form on Page Two of this document and turn it in to the School Office or email it to [mhart@stmichael.net](mailto:mhart@stmichael.net) or [ahawes@stmichael.net](mailto:ahawes@stmichael.net) by **Friday, Jan. 31 at 4:00 p.m.**

o Bring the Information Sheet (Page Three of this document) with the car to the event
